These forms are fillable so you can enter your information on your computer in the blue spaces. Save the form and then send it as an attachment to the email below. You can also convert the document to a Word document.
2. Please make sure that your work is clearly marked with your name, the title of the work and the price on the back, or bottom.
3. Wall Art - The maximum number of works to be submitted by artists is five (5). Additional works will not be accepted, and artists will be asked to take the works away with them.
4. Crafts - No capacity limit. items should be listed on a separate page detailing the type of piece(s) and the number of each
5. Work must comply with the theme 'Coastal Life'. Work submitted must not have been documented with a different title prior to this show.

Wall art must be delivered wrapped safely, framed with a stable frame and with hardware ready for hanging (strong wire and secure eyelets or with appropriate framing for hanging directly on nails). Framing for watercolours, prints, and any works on paper must be a rigid frame with glass or plexiglass to protect the art.
7. Artists will be asked to take their packaging away with them after drop-off.
8. Depending on the number of submissions and hanging space, some work may be held back, at the discretion of the curator and committee, for insertion in the show when sales are made and space opens up.
9. Small works (cards, small crafts, decorative objects, etc) : A maximum of 10 will be displayed at any one time and will be replenished as sales occur. Organizers may request additional pieces if sales are brisk. Cards should be individually wrapped in plastic to avoid adhesives on the envelope flaps reacting to the humidity in late August.
